Collect

Almighty God, you see that we have no power of ourselves to help ourselves: keep us both outwardly in our bodies, and inwardly in our souls; that we may be defended from all adversities which may happen to the body, and from all evil thoughts which may assault and hurt the soul; through Jesus Christ our Lord.

The environmental group of our church, that looks into how we can improve our stewardship of the earth, would like to offer to show you how you can change your electricity company in order to become more sustainable in the way you use energy. The idea is to buy energy from a company that only sells energy

Week 2. Beginning Creation.

Based on Margaret Barker's book entitled "Creation, a Biblical Vision for the Environment."

Wednesday 28th February.

Either East side of island

9:45 for 10 until 11:30 am at S'Hort de Can Masia

Or West side of island

17:45 for 18 until 19:30 at Can Bagot, Chaplaincy House

from renewable sources like the sun, wind or water. We have invited a member of an environmental group, Juanjo Torres Ribas, to give us a demonstration of how to do this online. Everyone is welcome to this meeting.

The meeting will be held on Wednesday the 28th of February, at 4.45pm, at the chaplaincy house.

The Lent Bible study will be held on the same day at 6 pm; so you are very welcome to stay on for the Bible study after the meeting if you would like to.

During Lent, we as a church, remember our neighbours on the island who are hungry. There will be a basket at the front of the church at each service during Lent for you to place your gifts. CARITAS needs basic items like olive oil, pasta, powdered drinking chocolate, biscuits, nappies and milk with a long shelf-life. Sant Rafel church will join us in this appeal. There will be a basket out in the church during the whole period so that anyone who wishes to contribute food can drop it off there. Please pass the word around so that more can join this action.
