### ***From Yong,***

In Mark's gospel chapter 8 we read about how Jesus took the disciple's food- seven loaves of bread and a few fish and shared it out among the rest of the hungry crowd who had nothing to eat. After he said the blessing over it he gave it to the disciples to distribute to all the people, every one of them had enough; the result was such excess that the leftovers filled seven baskets. This miracle shows us that the little we have can be multiplied; when we share what we have, no matter how little it seems. With God's blessing, these limited resources are multiplied to meet our every need.

During Lent, we as a church, remember our neighbours on the island who are hungry. There will be a basket at the front of the church at each service during Lent for you to place your gifts. CARITAS needs basic items like olive oil, pasta, powdered drinking chocolate, biscuits, nappies and milk with a long shelf- life. Sant Rafel church will join us in this appeal. There will be a basket out in the church during the whole period so that anyone who wishes to contribute food can drop it off there. Please pass the word around so that more can join this action.
