### **Data Protection**

No doubt you have all had a flood of emails over the last few weeks from just about every company you ever contacted. Well, now it's our turn! The new EU regulations came into law on 25th May and govern how all organisations including churches handle and protect personal data.

In order to hold such information as your name and address, email and phone number etc we need your consent. We also needed to prepare and communicate a notice telling you exactly how we are doing this. The Church Council has been working very hard on this. The [Data Privacy Notice](#) is now on the church website. If you wish to continue receiving information about church events etc and this newsletter you will need to complete a consent form which is also on the website. You can complete the consent form online by following this link [consent form](#). Consent forms and Data Privacy Notices will also be available on Sunday at Church. Please speak to Sue if you would like one.

*One of the volunteers with the 24/7 team in San Antoni is exploring the possibility of ministry in the Church of England. Chloe is presently studying Theology at University and is on Ibiza for the summer. She will be spending an afternoon a week with the Chaplaincy*

exploring Anglican identity and spirituality. Chloe would also like to worship with us on Sundays and participate in the services. This is dependent upon lifts from San Antoni. **If anyone can offer a lift even occasionally please speak to Sue or Peter.** We will also be asking various members of the congregation to share with her about their ministries and the Anglican church.

### **Can you help?**

We are on the lookout for missing Source books! Some have gone walkabout. This means that we are having to transport the books between the churches. Please, can you all have a search at home and if you have borrowed one for whatever reason return it.
